

Puritan's Pride® supplements are produced from the finest raw materials under stringent quality control standards. State-of-the-art manufacturing and packaging facilities ensure you the highest quality nutritional supplements money can buy. When it comes to your health...choose the best.

Hawthorn preparations are derived from the flowers and leaves of a thorny shrub (*Crataegus spp.*) native to Europe. The Hawthorn plant is a source of bioflavonoids and other antioxidant chemical compounds. Hawthorn has been traditionally used to help support cardiovascular health.\*
