

RM-10® ULTRA is the ultimate immune health formula, containing organic mushrooms and other specially selected ingredients that provide broad spectrum immune support via multiple pathways: immune cell function support, immune cell metabolism support, methylation support and antioxidant support.† **RM-10® ULTRA** contains L-Theanine, a natural amino acid from green tea, and selenium, produced using our proprietary Poten-Zyme® fermentation process which makes nutrients more available to the body. L-Theanine provides support for healthy gamma delta T cell presence in the body, important for proper immune function and host defense.†

Suggested Use: Adults take 1 capsule 3 times a day.
Best taken on an empty stomach. Not intended for children.
