

CLA is a naturally occurring polyunsaturated fatty acid known to play a role in reducing body fat, increasing lean muscle mass and improving exercise performance. Supplementing with **ORPHIC NUTRITION™ CLA** is an effective and simple way to get this powerful and necessary antioxidant into the body. **ORPHIC NUTRITION™ CLA** is the highest quality and potency conjugated linoleic acid (CLA) derived from safflower oil and formulated for rapid absorption with properties that work to help support the heart and metabolism through its easy to swallow soft gel capsule delivery system*.

SUGGESTED USE:

As a dietary supplement, consume one (1) softgel with morning, noon, and evening meals or use as directed by your healthcare provider.

CAUTION: Use only as directed. Consult your physician before use if you are pregnant or nursing, have a medical condition, or use prescription medication. For adult use only.

KEEP OUT OF REACH OF CHILDREN.
DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.
