SUGGESTED USES - INTERNAL & EXTERNAL

DETOXIFICATION: Mix 1 teaspoon to 2 tablespoons per day into water, fresh juice or smoothie. Neutral taste. Will not pull out good nutrients.

INTENSIVE USAGE: Take 6 tablespoons per day. Ideally, divide servings up. O.K. and effective to take all at once. Drink plenty of water!

CLEANSING FACE/BODY MASK: Mix 4 tablespoons of ZeoForce™ into 4 teaspoons of water. You can also add one capsule of Health Alliance CoQ10 and a drop of your favorite essential oil for additional benefits. Do NOT overdue the essential oil and test on a smaller area first to assure that it does not irritate your skin or eyes. Avoid the area around your eyes when applying. Spread a thin layer on your face and allow to dry (about 15 minutes). Rinse thoroughly, using the ZeoForce™ to exfoliate. Follow with a moisturizer if desired. You can also expand this recipe for full body coverage (spread as thick as you wish). **Great for pimples, rashes and skin irritations!**

DETOX/ RELAX - BODY/ FOOT BATH: Add 1/4 - 1 cup (or any quantity you desire) to hot bath water for a deeply detoxifying soak. Combine internal, mask & bath for ultimate detox!

BITES AND STINGS: Mix 4 tablespoons of ZeoForce™ into 4 teaspoons of water and apply to affected area, allow to dry (about 15 minutes) and rinse. Repeat as required. Also take internally.

TOOTH POWDER: Add a pinch to your brush and add a drop of essential oil (e.g. Neem, Peppermint, Cinnamon) to create a natural tooth powder blend.

LAUNDRY POWDER: Add 1 tablespoon to each load to remove residue and brighten colors.
