Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anti-platelet medications), or have a medical condition. Do not use if you have a pineapple allergy. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Bromelain is a proteolytic enzyme derived from the stem of the pineapple plant that has protein-digesting properties. When taken with food, Bromelain can help to support healthy digestion. When taken between meals, it may help to support joint comfort and may help to relieve temporary soreness that is associated with muscle overuse. Bromelain is designed by nature to support proper gastrointestinal function and may also help to promote the comfort of muscles and joints.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule with or between meals.
