

Neuro-PS® Gold is a premier brain health supplement containing a naturally sourced Phospholipid Complex.* Each softgel is standardized for the active ingredient Phosphatidylserine (PS), which is processed without bacteria to ensure quality, purity and potency. Phosphatidylserine levels in the brain can decline with age, so it is important to supplement with Neuro-PS® Gold every day. Neuro-PS® Gold is used to aid brain function and support a healthy mind.* When choosing PS, make sure it's Neuro-PS®!
