Coral Calcium

Naturally supplies calcium, magnesium &
other trace minerals essential
for strong, healthy bones*

Derived from fossilized coral

DIETARY SUPPLEMENT
180 CAPSULES

CODE 553722

KNG

GNC Coral Calcium naturally supplies calcium, magnesium and numerous other essential trace minerals. Gathered from fossilized coral from above the Okinawa sea, our coral is environmentally friendly. This harvesting process protects the delicate ecology of the sea and allows living reefs and algae to continue to thrive.

Directions: As a dietary supplement, take two capsules daily. For maximum benefits, take as directed every day.
