

Product Information: Magnesium Chloride is a naturally occurring compound composed of two chloride ions and one magnesium ion, and contains 12 percent elemental magnesium by weight. It is commonly used as a supplement to assist with magnesium deficiency and works to support heart health, immune system health, cognitive function, and bone health.*

Suggested Use: As a supplement take 2 capsules per day. It can be taken in the morning or at night, with or without food. Taking a smaller dose multiple times a day reduces the chance of side effects such as diarrhea.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
