

MY GUARANTEE

My Pro JYM protein powder is made from high-quality isolated proteins designed to fuel your body and muscles and aid recovery over longer periods of time. Pro JYM's precise blend of whey protein isolate, micellar casein, milk protein isolate, and egg white protein (egg albumin) is the perfect complement to your fitness program.*

My commitment to quality and results through transparency is why the front of this package lists the amount of each protein in every scoop of Pro JYM. Whole proteins only, nothing hidden.

Jim Stoppani, PhD
Owner - JYM Supplement Science

FITNESS IS ABOUT CHANGE. JYM HELPS MAKE IT DRAMATIC.

At JYM Supplement Science® we pride ourselves on educating individuals on all things training, nutrition, and supplementation. If you want to go beyond "average" and achieve profound results, you've come to the right place.*

WHERE DO YOU WANT TO GO?

You're a part of something bigger now: The JYM ARMY®. With a support system unlike any other in the fitness world, you're now poised to transform your body to peak levels. To that end, we've created a series of goal-specific resources to equip you with the knowledge you need to tackle – and conquer – your loftiest goals.

Imagination is your only limitation. Head over to ProJYM.com/results to set your goals and see what training, nutrition, and supplementation guidance Dr. Jim Stoppani offers to help turn your dreams and desires into reality.

Produced on shared equipment that also processes products that contain TREE NUTS and WHEAT ingredients.

MORNING

BEFORE / AFTER
WORKOUTS

BETWEEN
MEALS

NIGHT

DIRECTIONS: As a dietary supplement mix one (1) scoop of Pro JYM™ in 6-12 oz. of water or milk depending on your preference for thickness and texture.

For better results consume Pro JYM within 30 minutes before workouts and within 30 minutes after workouts. Also consider taking Pro JYM when you first wake up each day, between regular meals, or before going to bed to help maximize lean muscle mass gains.*

WARNINGS: Do not use as a sole source of nutrition. Check with a qualified healthcare professional before taking this product if you are pregnant, nursing, under the age of 18, or if you have any known or suspected medical condition(s) and/or are taking any prescription or OTC medication(s).

KEEP OUT OF REACH OF CHILDREN.

Store at 15-30°C (59-86°F). Protect from heat, light and moisture. Do not purchase if seal is broken.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

This product was produced in a GMP-compliant facility. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.
