NOW® Acacia Fiber Powder is a natural, pure, soluble dietary fiber produced from the gum of the Acacia tree. Scientific studies have shown that as part of the diet, soluble fiber can help to encourage intestinal regularity. Acacia Powder is also known to be an excellent prebiotic, as it supports healthy gut flora. Because it actually slows fermentation and decreases gas and bloating, Acacia Powder is well tolerated*. NOW® Acacia Fiber Powder can be used daily and contains no GI irritants or stimulants.
