

MorEPA® Chewable is a premium Omega-3 supplement utilizing supercritical CO₂ extraction technology that delivers 645mg of Omega-3 nutrition plus Vitamin C in just two chewable softgels per day. **MorEPA® Chewable** offers a clean, orange flavor with no fishy aftertaste and supports health and wellbeing for children 4 and older.[†]

Cold processed. Smart choice.

Supercritical CO₂ extraction utilizes 400% less heat than the leading brands—the typical process can expose heat-sensitive oils to temperatures as high as 400° F. Liquid CO₂, an organic compound, takes the place of typically-used harsh chemical solvents.

Minami also offers one of the highest concentrated Omega-3 fish oils on the market, which means more Omega-3 nutrition, no fillers and fewer softgels to take—now that is smart.

Other ingredients: Supercritical deep-sea fish oil (anchovy, sardine, mackerel, herring), gelatin, glycerin, xylitol, natural orange flavor, cellulose, colorant (iron oxide), mannitol, beeswax, soy lecithin, mixed tocopherols, sucralose, rosemary extract. Contains soy.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, allergic to iodine, use blood thinners, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision. Small objects like pills can become inadvertently lodged in the throat. Softgels may be pierced and contents can be mixed with water, juice or food. Children should always be under adult supervision when consuming this product.

Store in a dark, cool, dry place. Do not use if safety seal is broken or missing. **Keep out of reach of children.**

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep out of reach of children. In case of accidental overdose, call a physician or poison control center immediately.
