

Inflavonoid Intensive Care® is a blend of select Ayurvedic herbs traditionally used to relieve minor pain, including boswellia, turmeric, and ginger. By inhibiting certain enzymes, these herbs support healthy, balanced eicosanoid synthesis. Inflavonoid Intensive Care also provides antioxidant protection by supplying a lemon bioflavonoid complex, quercetin, and vitamin C.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take two tablets three times daily or as directed by your healthcare practitioner.

CAUTION: If pregnant or nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.
