

Suggested Pollen Program:

1. To lessen the possibility of an allergic reaction, break the tablet into quarters and take 1/4 tablet (125 mg) for five days. Increase to 1/2 tablet (250 mg) for five days. The next five days take 3/4 tablet (375 mg).
2. Then take the entire tablet (500 mg).
3. Gradually increase consumption until desired results are achieved.

Caution: Consult your physician prior to using this product if you are pregnant, nursing or have any pre-existing medical conditions.

Note: The color, taste, and texture of this product may vary due to its natural ingredients and/or seasonal changes.

- Keep out of reach of children
- Protect from heat, light, and moisture
- Store at 59-86°F (15-30°C)
- Do not purchase if seal is broken
