Do Not Eat Freshness Packet. Keep in Bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Alpha Lipoic Acid (ALA) is naturally produced in the human body in very small amounts, but is also available in some foods. ALA is unique in that it supports the body's antioxidant systems and can function in both water and fat environments. ALA can also recycle vitamins C and E, thereby enhancing their antioxidant activities. ALA helps to promote the maintenance of healthy neural tissues in conjunction with its supporting role of proper glucose metabolism and cardiovascular function.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 2 times daily, preferably with food.

Alpha Lipoic Acid

FREE RADICAL SCAVENGER*

600 mg - Extra Strength
