To ensure quality and potency through expiration, this dietary supplement is manufactured with higher active ingredient levels than the indicated Amount Per Serving. Take only as directed. Do not exceed suggested dosage. If you have a medical condition, are on medication, are pregnant or nursing or have questions regarding your nutritional needs, consult a qualified healthcare professional before using this product. An individual's need for this product may be met through a varied and well balanced diet. Do not use if the inner seal is broken or missing. This product may settle during shipping. Store in a cool, dry place. Colors will darken over time. This does not alter the potency of the product.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

The ChefsBest® Excellence Award is awarded to brands that surpass quality standards established by independent professional chefs.
