Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	% Daily Value
--	-----------------------	------------------

Vitamin B-12 (as Methylcobalamin [1000 mcg], Adenosylcobalamin [1000 mcg])	2,000 mcg	83,333%
---	-----------	---------

Other Ingredients: Mannitol Starch Complex (from non-GMO corn), Natural Berry Flavors with Other Natural Flavors, Citric Acid, Cellulose, Magnesium Stearate, Silica and Stevia (leaf extract).

Discussion: This KAL® B-12 ActivMelt™ supplement provides Dual-Action B-12 from Methylcobalamin & Adenosylcobalamin forms. The micro tablets melt quickly in the mouth and are designed for optimal absorption in the body. Natural mixed berry flavor is simply delicious. Methylcobalamin & Adenosylcobalamin are biologically active forms of Vitamin B-12. Methylcobalamin is prevalent in the blood and other fluids in the body. Adenosylcobalamin is the major form in cellular tissues stored in the mitochondria. They work synergistically together.* Vegetarian.
