

5-MTHF is a methylated form of folate. Unlike other folates, 5-MTHF contains the active form of folate naturally present in the body. This form supports absorption and has a greater bioavailability for those who need it most.*

Superior Labs **5-MTHF** capsules contain 5,000mcg DFE 5-MTHF, with absolutely no magnesium stearate, dioxides, preservatives, or other potentially harmful artificial ingredients of any kind.

This product is formulated, developed and manufactured in a FDA registered and GMP certified facility, 3rd party inspected by a leading compliance authority for superior quality assurance.

Suggested Use: As a dietary supplement, adults take 1 capsule per day, or as directed by your health care practitioner.

Caution: Do not exceed recommended dosage. Please consult a physician before consuming this product if you are pregnant or nursing, taking medication or have a medical condition. Not intended for use by individuals under the age of 18. Store in a cool, dry place. Do not use if safety seal is damaged or missing. **KEEP OUT OF REACH OF CHILDREN.**
