

ELEVATE YOUR WELLNESS

WE TAKE TURMERIC FURTHER

Turmeric is a cornerstone of Ayurvedic medicine due to its potent ability to promote healthy inflammatory responses.[†]

Our herbalists combined Curcumin, the active ingredient in Turmeric, with Turmeric Root, Ginger, and Boswellia to maximize full body and joint comfort.[†] We also added bioavailability boosters-avocado oil and black pepper-to create the first ever Ultra Absorption formula so you get more from every capsule.[†]

HELPS SUPPORT

- 🎯 Healthy Inflammatory Function[†]
- ☀️ Balanced Mood[†]
- 🦴 Joint Flexibility[†]
