WHY COLLAGEN PEPTIDES 13 IN 1 COLLAGEN ADVANCED COMPLEX IS BETTER AND MORE BIOAVAILABLE? OUR COMMITMENT TO EXCEPTIONAL QUALITY. Is to create the perfect balance and superior supplements through the latest technologies, and the purest nutrients nature has to offer to us. Our compromise is to improve the health of those that trust our superior quality supplements to enhance their lives. Integrity and quality steer everything we make, and our commitment to our customers is to produce the highest advanced quality nutritional supplements out there. Collagen is a protein responsible for healthy joints and skin elasticity or stretchiness. It's in your bones, muscles, and blood, comprising three-quarters of your skin and a third of the protein in your body. As you age, your existing collagen breaks down, and it gets harder for your body to produce more. That is why it exists COLLAGEN PEPTIDES 13 IN 1 COLLAGEN ADVANCED COMPLEX.
