Formulated & Distributed by NOW FOODS
395 S. Glen Ellyn Rd., Bloomingdale, IL 60108, USA

Not manufactured with wheat, gluten, milk, egg, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 1 to 2 times daily with food.

Coenzyme Q10 is a vitamin-like compound also called ubiquinone. It is an essential component of cells and is necessary for mitochondrial energy production. Years of research have shown that CoQ10 supports healthy cardiovascular and immune system functions in addition to its vital role in energy production.* NOW® CoQ10 is Pharmaceutical Grade. NOW uses only the natural, all-trans form of CoQ10.

The Natural Fish Oil Concentrate used in this softgel is manufactured under strict quality control standards. It is tested to be free of potentially harmful levels of contaminants (i.e. mercury, heavy metals, PCB's, dioxins, and other contaminants).

Contains no titanium dioxide. Separation and color variation in the softgel is natural and doesn't affect product quality.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Do Not Eat Freshness Packets. Keep in Bottle.
