Supplement Facts

Serving Size 1 Softgel

| Amount Per Serving | % Daily Value |
|--------------------|---------------|
|--------------------|---------------|

| | | |
|--------------------------------|---------|--------|
| Vitamin D (as Cholecalciferol) | 250 mcg | 1,250% |
|--------------------------------|---------|--------|

(Supplying 10,000 IU of Vitamin D-3)

Other Ingredients: Safflower Oil (from non-GMO safflower), Gelatin, Vegetable Glycerin and Sunflower Oil (from non-GMO sunflower).

Discussion: KAL® Ultra D-3 250 mcg (10,000 IU) is a high potency softgel in a base of safflower and sunflower oils, and its small size makes it easy to swallow. Vitamin D is essential for the proper formation of the skeleton and for mineral homeostasis, and also provides nutritive support for a normal, healthy immune system.[†]
