

Important Information: Do not exceed the recommended daily dosage. Food supplements must not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Not recommended for use by pregnant or lactating women. If you are taking any medications, are under medical supervision, have an existing medical condition or symptoms of illness, consult your doctor before use. Using this supplement at the same time as other food supplements may result in excessive nutrient dosages, consult a qualified professional if you are unsure. Discontinue use and contact a doctor immediately if any adverse reactions occur. Not intended for use by persons under the age of 18. Do not use if tamper evident seal under the lid is broken or missing. This product is a food supplement and is not intended to diagnose, treat, cure or prevent any medical condition, illness or disease. Store in a cool, dry place. Keep out of reach of children. For best before end and batch: see lid or base.
