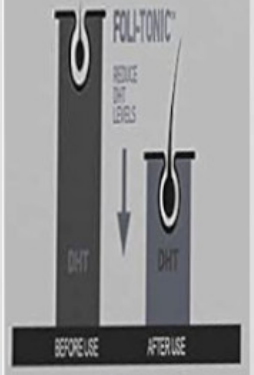
Elevated **DHT** levels and stress cause hair thinning and as we get older this process gradually increases. **Foli-Tonic (TM)** helps lower dht levels, which in turn help increase blood flow and intake of nutrients by the hair follicle, within time the hair starts to thicken and hair loss reduces.



WITH SAW PALMETTO AND BIOTIN FOR INCREASED RESULTS.

FORMULATED TO HALT HAIR LOSS AND HELP INCREASE HAIR THICKNESS.

1-3 MONTHS

SUGGESTED USE: Adults take 1 capsule twice times daily or as directed by a health care professional. For maximum effect, take daily for at least 30 days.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.
