Extract, Magnesium Citrate, Organic Rice Concentrate, and
Silicon Dioxide.

‡ This statement has not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Phytocal® A was designed by Dr. Peter D'Adamo and features a unique source of minerals: "Maerl" a small red seaweed (*Lithothamnium*) found only in isolated areas off the coast of Ireland. Of all sources of calcium, Maerl has one of the lowest levels of undesirable contaminants. Its unique structure gives it a great versatility, and when woven into formulas tailored for the genetics of type A, insures a phenomenal rate of bioavailability and utilization.

Contains soy from Soy Ipriflavones

This product contains no sugar, salt, gluten, yeast, corn, milk or egg products, no preservatives, color or flavors, and no artificial ingredients.

Directions: Two (2) capsules 2-3 times daily with meals as a dietary supplement or as directed by a physician.
