WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose call a doctor or poison control center immediately.

‡ This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Phytocal® B was designed by Dr. Peter D'Adamo and features a unique source of minerals: "Maerl" a small red seaweed (*Lithothamnium*) found only in isolated areas off the coast of Ireland. Of all sources of calcium, Maerl has one of the lowest levels of undesirable contaminants. Its unique structure gives it a great versatility, and when woven into formulas tailored for the genetics of type B, insures a phenomenal rate of bioavailability and utilization.

This product contains no sugar, salt, gluten, wheat, yeast, corn, soy, eggs or dairy, no preservatives, color or flavors, and no artificial ingredients.

Directions: Two (2) capsules 2-3 times daily with meals as a dietary supplement or as directed by a physician.
