

Suggested Use: Take 3 capsules twice daily with meals.

LipiCept™ is a blend of proven ingredients, including Cholesstrinol™ and Pantestin®, formulated to support healthy cholesterol levels already within the normal range.*

LipiCept™ also contains 400 mg of plant sterols per serving. Foods containing at least 400 mg per serving of plant sterols, eaten twice a day with meals for a daily total intake of at least 800 mg, as part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. Plant sterols have been shown to promote healthy blood cholesterol.*

Pantestin®

Pantestin® is a registered trademark of Kyowa Pharma Chemical Co., Ltd.

Cholesstrinol™

Cholesstrinol™ blend of citrus and palm fruit extracts, Tocosource®, and PMF Source™ are trademarks of Source One Global Partners.
