

Fiber
Choice®

Immune Support* with Vitamin D

Each 2 gummy serving provides 25 mcg (1,000 IU) vitamin D3 which supports immune health.*

WHY IS FIBER CHOICE... THE SMART CHOICE®?

Fiber Choice® is made with inulin, a plant-based fiber. Inulin is also a prebiotic fiber, which means it supports the growth and activity of beneficial bacteria in your gut.*

Prebiotic Fiber Helps Support the Immune System*

Inulin helps balance your digestive tract. A healthy, balanced digestive tract supports a healthy immune system.*

Prebiotic Fiber Supports Overall Health*

Daily intake of fiber is an important part of your overall health.* Most Americans only get about half of the recommended 28 grams of fiber each day. So when you can't get the fiber you need from healthy food, Fiber Choice® is an easy and tasty way to help close the fiber gap.

†Among gastroenterologists who recommended a chewable fiber brand (tablets and gummies). IQVIA ProVoice 2020 survey.

AGE	SERVING SIZE
14 yrs. to adult	2 gummies (3 g fiber) up to 8 per day
Children (4-13 yrs.)	1 gummy (1.5 g fiber) up to 4 per day
Children under 4 yrs.	Consult a physician

Children: Product should be fully chewed under adult supervision. Do not exceed the recommended daily dose. • Store in a cool, dry place. • Keep container tightly closed. 44158606 12504505
