How2recycle.info

To ensure quality and potency through expiration, this dietary supplement is manufactured with higher active ingredient levels than the indicated Amount Per Serving. Take only as directed. Do not exceed suggested dosage. If your child has a medical condition or is on medication, please consult a physician before using this product. Not recommended for children under two years of age due to choking. An individual's need for this product may be met through a varied and well balanced diet. Do not use if inner seal is broken or missing. This product may settle during shipping. Store in a cool, dry place. Colors will darken over time. This does not alter the potency of the product.
