

Plays an Important Role in Supporting Brain and Muscle Function

Acetyl-L-Carnitine (ALCAR) is a stabilized and more absorbable form of the amino acid L-Carnitine. ALCAR protects neurons from damage caused by superoxide radicals.

Supplement Facts

Serving Size: 2 Capsules
Servings per container: 30

Amount
Per Serving %DV

Acetyl-L-Carnitine	1000 mg	**
--------------------	---------	----

***No daily value has been established for this supplement*

Recommended Use: Take 1 serving (2 capsules) with water or your favorite beverage twice daily on an empty stomach. Take first dose in the morning and second dose one hour prior to lunch. To maximize results, drink at least 64 ounces of water daily while using this product.

Other Ingredients: Gelatin (Capsule), Rice Flour.

L-Carnitine facilitates the metabolism of fatty acids for energy generation. A greater reliance on fat for energy can result in a sparing of muscle glycogen and enhanced exercise performance. This leads to extended exercise capacity resulting in a stronger, leaner physique.
