

CLEAN ENERGY CLEAN FOCUS

200MG OF CAFFEINE

CLEAN FOCUS & ENERGY

With as much caffeine as two cups of coffee, NutraKey's caffeine capsules are a great way to boost focus and energy without the extra sugar, carbs, and calories of energy drinks or coffee. Caffeine has been shown to improve athletic performance in aerobic (especially endurance sports) and anaerobic workouts, as well as increase fat metabolism during exercise.✓

INCREASE METABOLISM

The standard for weight loss, caffeine is the main active ingredient in most fat burning supplements. Studies have shown caffeine supplementation increases fat metabolism during exercise.✓

For Best Results: Combine with NutraKey's L-Carnitine 3000 and give your metabolism an extra boost!
