pandelion is a Nutritional Powerhouse for Health
There are many curative functions for this widely known root, Toraxacum officinale, which means "official remedy for alments." Although it's more commonly referred to as Dandelion Root that naturally grows in our back ands fields, forests, and mountains, this plant has a valiety of benefits, too long to list, but here are a few:

- . SUPPORT LIVER & KIDNEY DETOX
- . EASE DIGESTION
- . PROMOTE GASTROINTESTINAL HEALTH
- . MAINTAIN HEALTHY BLOOD PRESSURE
- . BOOST IMMUNE SYSTEM
- . NO KNOWN SIDE EFFECTS
