DIETARY SUPPLEMENT

## Supplement Facts

Serving Size: 1 Capsule Servings per Container: 100

Amount Per Serving %DV

Green Tea Extract

350 mg

\*\* Daily Value not established.

Other Ingredients: Gelatin (Capsule), Rice Flour.

Recommended Use: Take 1 serving (1 capsule) with water or your favorite beverage 2-3 times daily.

One of the primary reasons Green Tea is effective at aiding in weight loss is due to its metabolic influences. Green Tea possesses high quantities of catechins which influence metabolism by decreasing fat absorption, increasing fat excretion, suppressing appetite, inhibiting intestinal lipases along with several other functions.

## Pure Nutrition

Go Green
