

# NATURAL WEIGHT LOSS AND LIBIDO

• 3MG •  
YOHIMBINE  
HYDROCHLORIDE

## NATURAL EXTRACT

► The Yohimbe tree is a tall evergreen native to central Africa. Yohimbe bark extract contains the active chemical Yohimbine Hydrochloride (HCl), which is an indole alkaloid that has been found to support weight loss as well as enhance libido. ✓

## STIMULATE WEIGHT LOSS & LIBIDO

► Yohimbine HCl works by increasing the levels of adrenaline in the body, as well as inhibiting a regulatory process in fat cells, which normally suppresses fat burning. The result is an increase in weight loss, especially during calorie restriction, as well as a stimulating libido enhancement. ✓

**For Best Results:** Combine with NutraKey's Tribulus Terrestris for sexual health support.

3MG YOHIMBINE HYDROCHLORIDE

# YOHIMBINE HCL

## ENHANCE WEIGHT LOSS & LIBIDO

DIETARY SUPPLEMENT

90 CAPSULES 90 SERVINGS

## Supplement Facts

| Serving Size: 1 Capsule        | Amount Per Serving | % DV |
|--------------------------------|--------------------|------|
| Servings per container: 90     |                    |      |
| Yohimbine Hydrochloride (HCl)  | 3mg                | **   |
| **Daily Value not established. |                    |      |

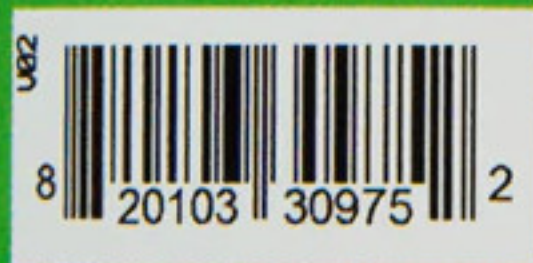

Other Ingredients: Gelatin (capsule), (may contain one or more of the following: rice flour, vegetable stearate, silica).

**Recommended Use:** Take 1 serving (1 capsule) with water or your favorite beverage twice daily on an empty stomach. For best results, take first dose in the morning and the second dose mid-day before lunch. To maximize results, drink at least 64 ounces of water daily while using this product.

**Yohimbine can interact with a large number of prescription medications and SHOULD NOT be used in conjunction with prescription medications without consultation with a doctor.**

**Warning:** Pregnant or lactating women, diabetics, hypoglycemics, and people with known medical conditions and/or taking prescription medication should consult with a licensed physician and/or pharmacist prior to taking dietary supplements. Do not use if seal is broken.

✗ Do not use if packaging has been tampered with. Store in a cool, dry place. Packaging is BPA (Bisphenol A) free.
