

Rejuvenate Plus for Women contains herbal extracts, isoflavones, phytoestrogens, vitamins, and minerals specifically selected to help support the female hormonal system. It does not contain soy, benefitting women who are allergic or intolerant to soy. The addition of a high-potency herbal blend containing black cohosh, dong quai, wild yam as well as many others, provides additional support and helps meet women's ever-changing needs. Embrace the changes life brings with **Rejuvenate Plus for Women.**[†]

Suggested Usage: As a dietary supplement, take two caplets daily, preferably with a meal.

Caution: Consult your physician prior to using this product if you are pregnant, nursing, or have any pre-existing medical conditions.

Note: The color, taste, and texture of this product may vary due to its natural ingredients and/or seasonal changes.
