

STORE IN A COOL, DRY PLACE.

Recommendations: As a dietary supplement, take 3 capsules daily, with a meal.

Warning: Not to be taken by pregnant and lactating women. If you have any health condition or are taking any medication, particularly blood thinning or psychiatric medication, consult your health professional before use. Not to be taken in conjunction with antidepressants unless advised by a health professional. Individuals with bipolar disorder and depression must be monitored closely by a health professional if taking this supplement. It is recommended that individuals taking this supplement have lithium levels and kidney function monitored regularly. Vitamin K may be contraindicated with Coumadin (Warfarin). Do not exceed the dose recommended by your health professional.

Keep out of the reach of children.
