MegaFood Vitamin D3 5000 IU provides a blend of vitamins D3, K and K2 to promote healthy immune function and bone health.* Vitamin D3 cholecalciferol is the more easily absorbed and utilized form of vitamin D. Paired with K and K2, it supports optimal calcium absorption and distribution to help maintain strong bones.*

Satisfaction guaranteed or your money back.

We believe that the most nutritious food comes from healthy soils and valued farmers. Our goal is to work with farmers who share our commitment to organic and regenerative agriculture. megafood.com/farmers
