power and cellular protection thus provides strong support against abnormal cell growth, as well as against the effects of aging.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 3 times daily, preferably with food. Pomegranate has been shown to have a number of powerful antioxidant compounds including polyphenolics and anthocyanins. Pomegranate has naturally occurring Punicosides, which have been shown to support healthy cellular function. NOW® Pomeratrol™ has Pomegranate Extract, standardized to 40% Punicosides. In addition, Pomeratrol™ has Trans-Resveratrol, another potent antioxidant that helps to protect cells against DNA damage and helps to sustain healthy cell cycles. NOW® Pomeratrol™'s combination of antioxidant

Pomeratrol™

CELLULAR REGENERATION
