For more than 2,000 years, the roots of Panax plants have been valued in Chinese herbalism for their invigorating, adaptogenic, and tonic properties. As a result of its long history of use, Panax Ginseng has been studied extensively by modern scientists and it has been found to possess hundreds of compounds, including ginsenosides, phenolics, and saccharides that contribute to its biological activity.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 2 times daily as needed. Consider taking these other NOW® products: Testolack and Gamma E Tocopherols.
