

PRODUCT BENEFITS: Thiamin serves as a cofactor for the enzymes pyruvate dehydrogenase, alpha-ketoglutarate dehydrogenase, BCKA dehydrogenase and transketolase - all factors involved in energy metabolism.* Additionally, Thiamin serves an important role in nervous system health and sugar metabolism.*

Directions: For adults, take one (1) tablet daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
