Not manufactured with yeast, wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.
Store in a cool, dry place after opening. Please Recycle.

SUGGESTED USAGE: As a dietary supplement, take 1-2 softgels 1 to 3 times daily, 30 minutes before meals.

Peppermint Oil has been recommended for centuries by traditional herbalists for the support of healthy digestion. However, this delicate oil can lose its potency in the acid environment of the stomach. NOW® Peppermint Gels are enteric coated to allow it to pass through the stomach and release within the intestines where it can be helpful in providing relief from the bloating and discomfort that may be experienced after meals.*
