PRODUCT BENEFITS: PhysioLogics Selenium 200 mcg supports antioxidant, prostate, and immune health,\* As a cofactor for certain antioxidant enzymes. Selenium acts to neutralize hydrogen peroxide and recycle Vitamin E for greater antioxidant support.\* Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive

Directions: For adults, take one (1) tablet daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
