

Ω-Zyme™ ULTRA is the ultimate digestive enzyme formula, supporting more complete digestion of food for gastrointestinal health, regularity, and normal bowel function.[†] This high-activity formula provides a broad spectrum of 21 digestive enzymes specifically selected to digest the full range of proteins, fats and carbohydrates found in a typical meal, with optimized activity across the varying pH (acid/alkaline) levels throughout the gastrointestinal tract for maximum digestive benefit.[†]

The **Ω-Zyme™ ULTRA** enzyme blend is delivered through our proprietary UltraZorbe™ capsules to provide faster and more complete dissolution and is protected from the damaging effects of oxygen and moisture by our proprietary BioProtect® System.

Caution: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you know or suspect you have an ulcer, you are pregnant, nursing, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.
