

Acai, indigenous to the Brazilian rainforest, is one of the planet's most remarkable and nutritious fruits. Acai naturally contains Vitamin C and is an excellent source of polyphenols, including rutin, anthocyanins, and catechins. Acai is also naturally rich in ellagic acid. CAO^H® uses only solvent-free, organic cold processed Acai Berry Juice Puree to ensure that the nutrients present in fresh Acai are retained.

Absolute Acai™ Berry Juice

Nutrition Facts#

Serving Size: 2 Tablespoons (30 ml)
