| Amount per serving                                                                                                                             | %DV                   | Amount per serving                                                                                                           | %DV         |
|------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|------------------------------------------------------------------------------------------------------------------------------|-------------|
| Vitamin A (100% as beta-carotene from ferment media)                                                                                           | 900 mcg 100%          | Manganese (as manganese chloride from ferment media)                                                                         | 2.3 mg 100% |
| Vitamin C (as ascorbic acid from ferment media)                                                                                                | 90 mg 100%            | Chromium (as chromium chloride from ferment media)                                                                           | 35 mcg 100% |
| Vitamin D3 (as cholecalciferol from ferment media)                                                                                             | 25 mcg (1000 IU) 125% | Molybdenum (as sodium molybdate from ferment media)                                                                          | 4.5 mcg 10% |
| Vitamin E (as d-alpha-tocopheryl acetate from ferment media)                                                                                   | 15 mg 100%            |                                                                                                                              |             |
| Vitamin K (as phyloquinone [K1] from ferment media and as menaquinone-7 [K2])                                                                  | 121 mcg 100%          | <b>Stress and Energy Support Blend</b> (from ferment media)                                                                  | 67.5 mg *   |
| Thiamin (as thiamine hydrochloride from ferment media)                                                                                         | 3 mg 250%             | Organic Schizandra (berry), Organic Maca (root), Organic Chamomile (flower)                                                  |             |
| Riboflavin (from ferment media)                                                                                                                | 3.5 mg 269%           | <b>Cardio Support Blend</b>                                                                                                  | 60 mg *     |
| Niacin (as niacinamide from ferment media)                                                                                                     | 16 mg 100%            | Organic Oregano (leaf) from ferment media, Organic Hawthorn (berry, leaf and flower) from ferment media, Grapeseed extract   |             |
| Vitamin B6 (as pyridoxine hydrochloride from ferment media)                                                                                    | 4.3 mg 253%           | <b>Immune Support Blend</b> (from ferment media)                                                                             | 45 mg *     |
| Folate (as folic acid from ferment media)                                                                                                      | 200 mcg DFE 50%       | European Elder (berry) extract, Organic Eleuthero (root), Organic Astragalus (root)                                          |             |
| Vitamin B12 (as cyanocobalamin from ferment media)                                                                                             | 12 mcg 500%           | <b>Prostate Support Blend</b>                                                                                                | 44.6 mg *   |
| Biotin (from ferment media)                                                                                                                    | 30 mcg 100%           | Nettle extract (root), Organic Pumpkin Seed oil, Saw Palmetto extract (fruit)                                                |             |
| Pantothenic Acid (as calcium D-pantothenate from ferment media)                                                                                | 12.5 mg 250%          | <b>Digestive Support Blend</b> (from ferment media)                                                                          | 33.7 mg *   |
| Calcium (from algae <i>Lithothamnion</i> [ <i>Lithothamnion calcareum</i> and <i>Lithothamnion corallioides</i> ])                             | 30 mg 2%              | Organic Aloe (leaf), Organic Peppermint (leaf), Organic Coriander (seed), Organic Cardamom (fruit), Organic Artichoke (leaf) |             |
| Iodine (as potassium iodide from ferment media)                                                                                                | 75 mcg 50%            | <b>Organic Turmeric</b> (rhizome) 8.1 mg from ferment media and 2.4 mg supercritical extract                                 | 10.5 mg *   |
| Magnesium (as magnesium oxide from ferment media and from organic algae <i>Lithothamnion calcareum</i> and <i>Lithothamnion corallioides</i> ) | 10 mg 2%              | <b>Ginger</b> (rhizome) 4.8 mg aqueous extract and 1.2 mg organic supercritical extract                                      | 6 mg *      |
| Zinc (as zinc oxide from ferment media)                                                                                                        | 18 mg 100%            |                                                                                                                              |             |
| Selenium (as selenium yeast from ferment media)                                                                                                | 80 mcg 145%           |                                                                                                                              |             |
| Copper (as copper sulfate anhydrous from ferment media)                                                                                        | 0.9 mg 100%           |                                                                                                                              |             |

\* Daily Value (DV) not established

**Other Ingredients:** Ferment media (organic soy flour, organic gum acacia, organic maltodextrin, organic *Saccharomyces cerevisiae*, organic orange peel powder, organic carrot powder, organic alfalfa powder, lactic acid bacteria [*L. acidophilus*, *L. rhamnosus*, *B. bifidum*]), bromelain [deactivated], papain [deactivated], organic blackstrap molasses, organic safflower oil, organic gum acacia, silica, orange shellac lac resin and carnauba wax.

**Contains: Fermented soy.**
