

Clear Four is a convenient way to provide the following groups of ingredients in four easy-to-take capsules and tablet. Each package contains 30 portable strips to enhance patient compliance.

1

Delayed release allicin

2

Allicin with cinnamon

3

Allicin with caprylates

4

Probiotic providing 25 billion CFU with NAG, L-glutamine and beta-carotene

Human Lactic Commensals (HLC®) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.
