Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anti-platelet or anti-coagulant drugs), or have a medical condition (especially gall bladder or other digestive disorders). Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Curcumin is the principle bioactive component of Turmeric (*Curcuma longa*). Although it has been used for centuries by Ayurvedic herbalists, modern scientific research has demonstrated Curcumin's potent free radical scavenging properties, as well as its ability to support the body's proper response to biological stress. By helping the body to protect itself from these stressors, Curcumin may support a healthy digestive system and the maintenance of normal cell reproductive cycles.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel 2 to 4 times daily with food. Consider taking these other NOW® products: Glucosamine & Chondroitin, Nattokinase and CoQ10.
