

PRODUCT BENEFITS: PhysioLogics® BioFlora® HP provides a unique combination of the well-known probiotic *Lactobacillus Acidophilus* plus three additional Probiotic organisms to support digestive function and promote healthy intestinal flora.* Acidophilus promotes the healthy functioning of the intestinal system.* Each capsule provides 3 billion intestinal probiotics at the time of manufacture. This formula also includes Citrus Pectin.

Directions: For adults, take two (2) capsules daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

♦ At time of manufacture

♦♦ Probiotic cultures are grown in a milk based medium. Milk proteins are later removed and are undetectable in the on-shelf product at 2.5 parts per million.
