

PRODUCT BENEFITS: This blend provides the most important carotenoids for promoting healthy vision.* Lutein, Zeaxanthin and Meso-Zeaxanthin are xanthophylls naturally found in healthy eyes. This product provides all three to help promote the health of the macula to support visual health.* The macula is responsible for supporting the health of the eye's photoreceptor cell layer.

Directions: For adults, take one (1) softgel one to two times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
