

PRODUCT BENEFITS: The Fish Oil supplied in PhysioLogics' EPA/DHA contains the polyunsaturated long-chain fatty acids Eicosapentaenoic Acid (EPA) and Docosahexaenoic Acid (DHA). Omega-3s help to promote cardiovascular health.* Fish Oil supplies a concentrated source of these important fatty acids, which may be lacking from American diets.

Made from the oils of cold water, deep sea fish.
Marine Lipid Concentrate.

Directions: For adults, take one (1) softgel three times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
