POST-WORKOUT

DIETARY SUPPLEMENT Net Wt. 2.54 LBS (1152g)

A COMPLETE POST-EXERCISE MUSCLE HYDRATION RECOVERY INNOVATION!

The leading post-workout recovery powder is now even better! Featuring newly-added patented ingredients: Capros®, a super antioxidant gooseberry extract which has been shown to improve cardiovascular health and blood flow, and Carnipure™, patented L-Carnitine Tartrate that feeds the muscle post-recovery and also supports a healthy metabolism. These new ingredients will amplify post-recovery.

PROVEN SCIENCE:

Creatine Monohydrate	Most widely researched and tested ingredient in dietary supplements. Has been proven to support strength levels, lean muscle mass, and recovery.
Whey Protein	Rich in naturally occurring amino acids, whey protein helps support muscle repair and recovery while fueling the body with high-quality lean protein.
Carnipure™	Powerful nutrient needed to help support conversion of fat into metabolic energy.
Capros®	A super antioxidant and excellent cardiovascular health ingredient backed by 8 clinical studies that is derived from Amla fruit extract.
Dextrose	A rapidly absorbed simple sugar that helps increase uptake of other key nutrients such as creatine, amino acids, and L-Carnitine.

Creatine MagnaPower® and Albion® Magnesium chelate glycinate (18% chelate) are registered trademarks of Albion Laboratories

Carnipure™ offers purest L-Carnitine and is a trademark of Lonza Ltd, Switzerland.

Capros® is a registered trademark of Natreon, Inc.

WARNING: Do not use if pregnant, nursing or under 18. Use only as directed. Do not exceed recommended amount. Consult with a health care practitioner before taking this or any dietary supplement, especially if you have or suspect you may have a medical condition or are taking any medications, over-the-counter products, or other dietary supplements. **KEEP OUT OF REACH OF CHILDREN.** Do not use if safety seal is damaged or missing. Store in a cool, dry place.
